

Erratum:  
“Bifix codes and interval exchanges”

March 16, 2015

- page 2797,
  - line 9: delete the last sentence.
  - line 16: add before the last sentence of the paragraph “This transformation is a regular interval exchange on  $d(s-1)$  intervals because the orbits for  $U$  of the  $d(s-1)$  nonzero separation points are infinite and disjoint.”
