

Erratum:
“The finite index basis property”

March 16, 2015

- page 2523, line 2 of Fig.1: Change “**Example 5.9**” to “**Example 4.6**”.
- page 2536, paragraph 3: Change the last sentence to “**But H is a free group which, by Schreier’s Formula, is of rank $d(\text{Card}(A) - 1) + 1$. Since X generates H , this implies that X is a basis of H .**”
