

Erratum:  
“Enumeration formulæ in neutral sets”

July 30, 2015

- page 219, line -6: Add before the last sentence of the paragraph “The *kernel* of a bifix code  $X$  is the set of words of  $X$  which are internal factors of  $X$ ”.
- page 221, Theorem 3: Change the second sentence to “For any finite bifix code  $X \subset S$  with empty kernel, we have”.
